The Prez Says

By Todd Herbst

I have been informed that Steve Lemke, our new Club Vice President, has declared that he is now

"Generalissimo Presidente for Life"

, having removed our current club president, Todd Herbst, to an "undisclosed location..... for his own safety". This explains lack of a "Prez Says" in this issue of our newsletter. I hope to once again have the ramblings of our president in the next issue, providing that I am granted permission by our new Supreme Leader.

Well, it's finally happened. For the longest time I have wanted to see what I have only been able to visualize from the tantalizing internet images that seem to be on my computer almost every week. And then there are those glossy photographs accompanied by descriptions of things that I know that I want.....that I am sure that I need. I just never thought that I would ever be able to actually, physically hold what I had dreamed of holding for such a long time. And now I have, and I have a hat to prove it. I have been to Bob's BMW. I was not dissapointed. The store is great, full of all those neat do dadds that populate the pages of their catalog. The in store museum had a cool collection of vintage BMW's, along with cabinets full of vintage parts and pieces that, unlike the bikes, were all for sale. My salesman Don filled up two boxes with stuff from my wish list of goodies that I had marked in my well worn catalog. Very Satisfying. It will be great to get home and start rummaging through all the filters, washers, levers, widgets and farkels that are no longer just the stuff of dreams. Now they are real..... credit card debt :(.....Ah well.

You will find on the back of this newsletter the official Madison BMW Club membership form. If you have any changes you would like to make to your information, fill it out and bring it to the monthly meeting. Or if you know someone who might be interested in joining our motley crew, give them a copy to fill out and bring to the meeting. Please consider requesting that you receive your Mail Boxer via e-mail as opposed to snail mail. This will save the club cold hard cash on postage and printing and will allow Todd (if he ever returns from that undisclosed location) to buy more meat to cook up for the club picnic. Truly a tasty tradeoff. Yumm. Just let Derek know. Thanks
