BMW MOA #7 • BMW RA #5

THE PREZ SAYS

Greetings all!

I know don't have to write much, but this is the only part of the job that I find hard to do.

I hope everybody made it back from the MOA Nat'l rally in one piece and no broken bikes and you're getting all rested up for the next great adventure, whatever and wherever that might be.

Reminder that the next meeting Aug 9th, will be our picnic meeting located out in the hills of Blue Mounds, leave home early and take the curvy, squiggly roads. Make a day of it, for the days and weekends are getting shorter and fewer.

Check out the whats happening section for everything I forgot. Thank you to the editor and the rest of the membership for your input.

Ride far, ride safe.

Dick Olson

Annual Club Banquet
Elks Club, Madison

Our 100th member joined in July! Rich Goehring in Sturgeon Bay has decided he knows many of our members and it would be a nice get-away now and then to come down, visit his sister and niece, and hang out with the club. He rides a 1999 R1100RT.

And our 101st member also joined in July. Stefan Gliessmann recently moved from Germany to Madison. I'll bet he's got some great stories about Alpine riding. He is currently riding a 2014 R1200GSA he picked up at Mischler's.

The fact that there is a **HIGHWAY TO HELL** and a *Stairway to Heaven* says a lot about anticipated traffic volume.

Picnic Forecast

At the time of this printing, the weather forecast looks to be low 80's, partly sunny, low winds, with a 20% chance of precipitation.

No Plans after the Picnic?

Take a leisurely country ride back around to Madison's west side. Then stop on by Heidi's and laze on the back deck or cool off with a refreshing swim in the pool. BYOB—I can't stock the many choices that folks prefer.

Please join the BMW Motorrad Club of Northern Illinois **August 28-30, 2015**, in the historic town of Galena Illinois, for our 19th Annual Campout!

Secretary's Report

July 12, 2015 Meeting Minutes

President Dick Olson called the meeting to order and provided an update on the picnic planning. The club will provide the main course; likely chicken and pulled pork again since everyone seems to like those. Bring a dish to pass for sides and desserts. VP Dawn confirmed we have the picnic shelter at Brigham Park in Mt. Horeb reserved for Sunday, Aug. 9. Picnic starts at noon. Beautiful area to ride in. See you all there!

Breakfast update from Dawn: While the VFW hall is up for sale, it will remain open until such time as a sale is made. The current manager is planning on opening his own restaurant in Jefferson (AJ's Place). His sister-in-law will be the new VFW manager and is planning for our breakfast meeting in December. The price will remain the same -- \$11.

Brian Manke gave the MOA update. The National rally is in Billings, MT in less than 2 weeks. For those going AND planning on attending the RA rally in Oct., if you haven't already registered, do so at the MOA. The RA is having a booth in Billings -- and if you register at the rally, you will also be entered in a drawing for a trip package to Arkansas valued at \$1000. So, good luck to all who register!

Our new activities director, Bruce Ostein, asked if there was any interest in first aid training. The overall response was an overwhelming YES! He'd like to set up something this winter for members. This will be a true asset for hosting our rally, as well as attending other rallies. Everyone in

attendance agreed.

Laurel Hefty also mentioned that members should be prepared for potential medical conditions when traveling. ICE--In Case of Emergency--info can be programmed into cell phones and assist emergency personal quickly should the need arise. (visit <http://www.ice4safety.com/> for more info.)

Former activities director, Bert Hefty, asked for interest in a fall Ride & Shoot. Watch for it to be scheduled in upcoming newsletters.

Heidi Goehring mentioned that the Northern IL club has been doing some rides in WI and we are always invited to join them. She forwards the ride info to listServ when she receives it, so if you're not on listServ, here's a good reason to be. (Instructions to join are on the bottom left corner of page 2.) She also noted that through their many group rides to various locations, they are able to collect a lot of door prizes. After all, if you had a business known for fabulous food, and a club was bringing a group there for lunch, wouldn't you want to donate a gift certificate to their rally knowing you would be getting more business?!!

Heidi also made mention of an ad in the newsletter that she's hosting a pool party for those unable to get to the National rally for whatever reason. Sunday, July 26 enjoy lounging in her back yard while those rally-goers would be packing and heading out in the heat.

Jim Lowe arrived on his 'new to him' K bike with side car -- he purchased Dave Maly's rig from Dennis and has sold his old bike.

Bert also mentioned he's got a bike for sale. Contact Bert for more info.

- 50/50 winner: Rick Newman
- Next meeting: Summer picnic, Aug. 9 at Brigham Park

Happy Riding!

Exceptional roads and extreme fall colors meet in the Natural State, one of America's best spots for riding and enjoying outdoor life. If you've ridden Route 1 north of San Francisco, the Four Corners, the Rockies and the Tail of the Dragon, but not Route 123 North in Newton County, AR, then you don't know what you are missing. And it's not just the roads. The locals and the local constabulary are equally friendly. The food is awesome, the music is outstanding, and best of all... there's no damned traffic. Join your BMW comrades & invite all your rider/friends from other marques. Let's have fun in AR.
