## WORDS FROM THE PRESIDENT

I hope everyone has been getting out on their bikes and enjoying the amazing weather we have had the past few weeks. As a motorcycle riding instructor/coach I had the opportunity to work the Harley-Davidson demo event at Wisconsin H-D during Labor Day weekend. Rhonnie also helped out all weekend, checking in riders as they went out on a 12 mile scenic loop. Every day I had to check the route to make sure none of our arrows were knocked over, moved or stolen. I decided to take out the new Harley trike to check the route. I was impressed with the trike overall, but as with every v-twin Harley I have ridden it was lacking some power and the suspension was rough.

I am looking forward to some fall color rides as there are so many awesome roads and views throughout our beautiful state. Enjoy the ride my friends and we will see you at our next meeting.
